Dear Carlsbad City Council, Carlsbad Planning and Parks Commissions, and Coastal Commission:

The City Budget should address both short-term Covid-19 impacts, and near/longer-term investments needed for Economic Recovery and Revitalization.

The quality of our Carlsbad coastline, Coastal Parks and open spaces are continually rated by Carlsbad citizens and businesses as the critical foundation of our quality of life, economic strength, and tourism industry. Ponto Coastal Park is a critically needed investment, and the last opportunity for the City to make an investment for Carlsbad's long-term sustainability. South Carlsbad Citizens, visitors, and the Visitor Industry have no Southern Coastal Park. Ponto is the only place to provide that needed investment for residents and visitors, and advance Economic Recovery and Revitalization of South Carlsbad's significant Visitor Industry. Coastal Recreation is the major attraction for visitors.

With these understandings we submit the following testimony and data from the City's FY 2019-20 Budget Public Input Report that highlights the documented significant number of citizens asking for a Ponto Coastal Park. We also note concerns about the Report's dilution of specific citizen input provided at both the March 4, 2019 and 2020 Citizen Workshops.

Citizen input on the need for a Ponto Coastal Park was the most numerous specific place need/desire citizens mentioned in the City's:

- Budget Public Input process,
- Draft Local Coastal Program Amendment process, and
- Parks Master Plan Update process.

The Budget Public Input process documented 85 specific, verbatim citizen comments on Ponto area park needs and over 90% of citizen requests that Council budget to address this need. These 85 Verbatim Citizen comments (listed at the end of this testimony and data) specifically address how they would like their (Park) tax dollars budgeted. Additionally, 2,500 similar public input email/petitions were submitted as public comments on Carlsbad's Draft Local Coastal Program Amendment and Park Master Plan Update processes spoke to the need for a Ponto Coastal Park.

As you know, the 11-acre Ponto Planning Area F site is for sale. This site is similar in size/shape as Holiday Park, providing a Coastal site for similar multipurpose community functions.

Carlsbad's Local Coastal Program (and thus General Plan and Zoning Code) requires the City to first consider and document the need for a "Public Park" before any land use can be planned for the Planning Area F site.

The City's Park Master Plan already documents the need for a Ponto "Public Park", showing the area as "unserved" by City Parks and an area of Park "inequity" correlating well with Citizen input.

The City also received offers of potential donations, or cost-saving collaborations from Carlsbad Citizens and non-profits to advance the much needed Ponto Coastal Park. The City disappointingly has not replied to these special opportunities.

Therefore, it is requested the City budget for a Ponto Coastal Park and contact the Planning Area F landowner regarding site purchase.

Consistent with Budget Public Input Report page 3 it is requested that this this testimony and data be provided to the Planning and Parks Commissions; and Coastal Commission as public input on the City Staff's proposed 1) City Budget, 2) Draft Local Coastal Program Amendment, and 3) Parks Master Plan Update.

Thank you.
People for Ponto

The following data is from the Carlsbad FY 2019-20 Budget Public Input Report:
<https://www.carlsbadca.gov/civicax/filebank/blobdload.aspx?BlobID=38546>

In reading the data different text treatment is used to differentiate between actual page number and text in the Report, Important Report text, and public comments and analysis of Report text. Following is a legend to those text treatments:

- (p.X) is the Report page number where the information is found, and normal text is the actual Report text.
- Text in **Bold Face** is particularly important Report text.
- **Arrow bullets and Text in Bold Italic Text** are analysis and comments on the Report's information.

Introduction (p. 3):

- **Members of the public have a right to be involved in decisions affecting their lives.**
- **It is the city's responsibility to seek out and facilitate the involvement of those interested in or affected by a decision. The city errs on the side of reaching out to people who might not be interested, rather than potentially missing people who are.**
- **City staff provide balanced and factual information to the public and do not engage in advocacy.**
- **Public dialogue strives for a focus on values over interests and positions.**
- **Public involvement planning is coordinated across all city departments to ensure consistency and avoid process fatigue.**

On (p. 5) specific Verbatim Public Input was generalized by City Staff as follows:

Main Themes: The following themes were a high priority overall:

- **Neighborhood quality of life**
- **Access to nature, trails and open space**
- Environmental sustainability
- Traffic and mobility

Most Important Services: City services in the following areas were identified as the most important:

- **Neighborhood quality of life**
- **Parks and recreation**
- Law enforcement
- Fire and paramedic service

- Environmental sustainability

Specific Areas for Budget Enhancement: When asked which services they would like to see enhanced in next year's budget, the top five responses were:

- **Neighborhood quality of life**
- **Parks and recreation**
- **Environmental sustainability**
- **Mobility/transportation**
- Arts and culture

- *The lack of a Coastal Park at Ponto impacts all South Carlsbad neighborhoods' quality of life. Carlsbad's Park Master Plan documents that Ponto and Coastal South Carlsbad are "not served" by parks and Ponto and Coastal South Carlsbad is an area of park "inequity"*
- *The City and CA Coastal Commission are required to consider and document the need for a "Public Park" before any planning to allow any land use on Ponto Planning Area F. For over 10-years the City failed to disclose and follow this requirement – making multiple "Ponto planning mistakes". The City will now have to correct its multiple "Ponto planning mistakes" as part of the Draft Local Coastal Program Amendment*
- *The lack of a Park at Ponto also impacts both Environmental Sustainability and Mobility/Transportation:*
 - *Prevents parks within walking distance, forces driving (and the need for more parking in our Park) to access parks.*
 - *Forces South Carlsbad Neighborhoods to drive long distances to North Carlsbad and/or Encinitas to access a Coastal Park*
 - *Congests North Carlsbad and/or Encinitas Coastal Parks with South Carlsbad Coastal Park demands*
 - *Congests North Carlsbad and/or Encinitas roadways and parking facilities with South Carlsbad Coastal Park demands.*
 - *Importantly, it would forever negatively impact the economic sustainability of Carlsbad's Visitor industry. There are thousands of inland South Carlsbad resort/hotel rooms that have no access to a Coastal Park. This will ultimately undermine the attractiveness and competitiveness of South Carlsbad's Visitor industry and the tax revenue the City receives from that industry.*

Word Maps (pp 6-8)

Staff provided 3 'word maps' saying the show the words mentioned at the March 4th 2020 workshop attend by 38 citizens.

- *There is citizen concern about the accuracy of these word maps and what is conveyed on pages 6-8 of the Report.*
- *Several of those 38 citizens, provided specific written (individual index cards) and verbal (round table flip chart notes) Pubic Input several stating the need for a "Ponto Coastal Park", another mentioned a "liner Park", and several mentioned the "Senior Center", all these written/verbal comments were not accurately documented or reported on pages 6-8. It appears the City Staff interrupted and translated/transformed the actual citizen comments (as documented in the index cards and flip chart notes) when creating the word maps. There is a concern that specific citizen input provided at the actual workshop was not accurately*

reported in the Public Input Report to the City Council. As citizens we are concerned that our input is accurately reported and conveyed to the City Council.

- Surprisingly no word map was provided in the Report for the much larger (1,330 to 1,710 person) March 5-22, 2019 Public Input process. Following is the actual word map the city showed participants at the March 4, 2019 Public Input Workshop. The image of the word map was taken with a participant's cell phone. It summarized the magnitude of citizen needs/desires expressed at this larger Budget workshop.

The word map graphic above from the March 4, 2019 Workshop although not summarized by Staff in the Report is clearly documented in the Verbatim Comments (Public Input) that was included in pages 24-91 of the Report and accounted for below.

Verbatim Comments (pp 24-91): **Number of times a specific Place Name was mentioned:**

- **Ponto, Zone 9, and Southwest Carlsbad: 85 times** (see below for list of Verbatim Public Input)
- Village: 23 times, this is 27% as much as Ponto area
- Carlsbad Senior Center: 7 times, this is 8% as much as Ponto area
- Agua Hedionda Lagoon: 3 times, this is 4% as much as Ponto area
- New Village Arts: 3 times, this is 4% as much as Ponto area
- Barrio: 2 times, this is 2% as much as Ponto area
- Calaveras: 2 times, this is 2% as much as Ponto area
- Alga Norte Park: 2 times, this is 2% as much as Ponto area

- Poinsettia Park: 2 times, this is 2% as much as Ponto area
- Veterans Park: 2 times, this is 2% as much as Ponto area
- Rancho Carrillo: 1 time, this is 1% as much as Ponto area
- Hub Park: 1 time, this is 1% as much as Ponto area
- Crossings Golf Course: 1 time, this is 1% as much as Ponto area
- Robertson Ranch: 1 time, this is 1% as much as Ponto area
- Palomar Airport: 1 time, this is 1% as much as Ponto area

➤ ***As the Budget Public Input Report suggests, reading of each of the Verbatim Comments of actual public input should be done. The place names area specific list above does not include broad places such as “beaches” the names of specific roads, and other names that appeared vague. It is clear in reading through and counting the place name references that the Ponto area expressed as Ponto, Zone 9 (i.e. Local Facilities Management Plan Zone 9), and the coastal park references to Southwest Carlsbad and South Carlsbad was by far the greatest area of public input. This makes perfect sense in that for half of the City Ponto is the last significant vacant Coastal land available to address two of Carlsbad Citizens’ most important budget concerns ‘Neighborhood quality of life’ and ‘Parks and recreation’ that relate to core community values around Carlsbad’s “Beach”, “small beach town character”, and “valued open space”.***

Following is the listing of the Verbatim Public Input (Appendix A in Public Input Report, pp 24-91) that specifically referenced Ponto or a clear reference to Ponto such as Zone 9 or Coastal Park needs in Southwest Carlsbad. There are many more comments such as “The purchase of remaining open space for preservation of the last remaining coastal areas.” that logically and clearly refers to the Ponto situation. However these many additional comments were excluded from the list below since they did not specifically mention Ponto, Zone 9, or SW Carlsbad place names.

Of the 85 citizen comments below specifically referencing Ponto, 77 or 90.6% were asking the City to budget for a Ponto Coastal Park. Only 8, or 9.4% of those citizen comments were not asking for a Ponto Coastal Park. We are not sure if the 8 commenters knew about the City’s now acknowledged “Ponto planning mistakes” dating back over the past 10-years, as the City only first briefly acknowledged this recently on 1/28/20. We have found once citizens are truly aware of the facts and prior “Ponto planning mistakes” there is almost uniform desire for a Ponto Coastal Park. There is citizen concern that these “Ponto planning mistakes” are not being fully, openly and accurately being disclosed to Citizens during the various Public Input processes, thus tainting those Public Input processes.

Verbatim Ponto City Budget Public Input from pages 24-91 of FY 2019-20 Budget Public Input Report:

1. My biggest disappointment is the lack of park facilities in my section of the city, near South Ponto Beach. Lots of open land but no park within at least 2 miles. This should be a city priority
2. It used to be the beach but now Ponto & South Carlsbad are more like rocky shores. I’d like to see the rocks cleared up and more sand added to these beaches
3. COMMENT TRAFFIC IS BEING SPAMMED HERE TO PUSH THIS PONTO PARK PLOY (PPP) Develop Ponto and have the hotel maintain our beach! It’s all rocks currently!
4. Ponto Beach. We do NOT need a commercial development or hotel there. That needs to be a park and/or open space for future generations.

5. Ponto beach.
6. Don't ruin South Ponto Beach with condos and/or hotel, need to restore the sand on the beach.
7. Like most residents and visitors I treasure the beach. I feel the highest priority should be open space and parks that serve the beach region. Particularly important is the open space still available in the Ponto region. There is ample space here for an extraordinary area of open space and even a park. There is not one of either of these in the southwest quadrant near the beach. Children cannot walk safely to a park from that area. Open space and a park in the Ponto area would serve all residents, visitors, and the business community.
8. Beaches, parks, safe neighborhoods, OPEN SPACE! Need Beach parks like Del Mar Powerhouse/Sea Grove Park & Encinitas Community Park. Ponto Beach needs some attention.
9. I love the beach and the parks and fields and open space and hiking trails in Carlsbad. I wish we had more!! We have had 3 kids in sports in Carlsbad. Currently, field/park space is very limited and often over committed. Currently, there aren't enough fields to meet the need of the community. Adding more parks and fields would create a better community in the following ways.... The sports played on these fields help keep our kids fit and healthy; It keeps kids busy and out of trouble; It fosters friendships and community; it teaches team work and fosters dedication and teaches a willingness to help others succeed; it brings in community \$\$ from other teams who come to play on Carlsbad fields; It's a wonderful way to showcase our city to others who will want to return thus helping grow tourism. Additional Parks would offer the same benefits. We do not need more high density building. And, Please do NOT ruin Ponto with more building!!!!!!
10. We love the beach and the small-town feel Carlsbad has. We love the scattered open spaces and trails. Carlsbad is a great place to live and spend time outdoors, like the Ponto area. Let's keep it that way by not developing every last square foot into a condo complex, hotel or shopping mall, if that's what you want please move to Oceanside.
11. Let us protect the valuable open space that is left and not develop every square inch. Especially at the beach, let us save the land across the coast highway from Ponto Beach and make a beautiful park, not more condos and hotels. Carlsbad is in great financial shape and does not need to go after every development and tax dollar it can get. Some things are more important, like quality of life, than a fat wallet. I know that this will fall upon deaf ears amongst the two older members of the City Council, but maybe some rearranging of priorities is in order.
12. Would love to see the last areas of open land to stay that way. I have lived here for 25 years and have seen a tremendous amount of development eating away at the open beauty of the area. We have enough shopping centers and homes. Please leave the area at Ponto open and do not approve the Ponto development.
13. Keep Ponto Beach development free!
14. Preserving Open Space and Building Ponto Park in the South West Quadrant!
15. I second Tisha Klingensmith's comment and all the others regarding Ponto Beach development.
16. Preserving open space and maintaining high quality Parks and Rec with park location emphasis on geographical location. It's time to build a park in the SW quadrant near the beach for locals and visitors alike. Veterans Park is not a solution for each quadrant's deficiency, particularly in the south.
17. We need more parks, especially in southwest Carlsbad!
18. I agree, we need more parks and open space. I live in Zone 9 and don't have a park anywhere within walking distance.
19. We need to continue to preserve open space and NOT develop Ponto into an awful condo complex. We would love a park!

20. We need a park in the Ponto area and not a development. It is the last open space next to the beach left
21. I agree with the need to preserve open space throughout Carlsbad and NOT develop Ponto into awful condo complex.
22. We need to preserve our open space --it's what keeps the city feeling like a small town. We need more parks -esp one at Ponto in the SW quad!
23. Preserve the open space and build a park in SW quadrant at Ponto. We do not need or want any more huge developments, especially right by the beach in one of the last remaining open spaces. Once it's built, you can't un-build it. Build Ponto Park in SW quadrant. Do the right thing. Especially for our children and grandchildren. They won't thank us for building outrageously tall high density condos, hotels and unnecessary shops right by our gorgeous beaches. The only people this benefits are some wealthy developers, not the people of Carlsbad. Think long term, not short term. We have a beautiful city and community-preserve it now or it's gone forever!
24. We really need a park in the southwest quad by the beach. This could be an amazing asset (on SO many levels) for the community and visitors alike. The revenue stream would return the city investment in spades!
25. Parks. Needed in Ponto area our children in this area don't have a close park. And the house lots in our area are small.
26. I agree that we should be very mindful that the citizens of Carlsbad voted out the retail space plan at the power plant site a few years ago. The new Ponto project should not replace that. Citizens should be part of the decision to build out that area
27. We need to preserve our open space and we need a park at Ponto!
28. We need a park in the Southwest quadrant of our community. Safety in the community is what we like best in this area
29. Carlsbad's small town feel, friendly atmosphere and location has made it our ideal place to live for the past 20 years, We live across from South Ponto Beach and DESPERATELY need a park for our area residents. It would be sad to see the area overbuilt with high density projects and not retain some of the open space at this southern entrance to our "Village by the Sea". PLEASE help preserve some of its appeal before it is too late.
30. I love the quaintness of the Village, the open land areas, trails, small businesses and the arts. A huge NO to PONTO. Please stop the excessive building and development of the open areas of our beautiful and unique city. We have lived here for over 30 years and are sad to see so much over development. Keep our special village a village, and please don't turn it into another ordinary city.
31. Favorite is small town feel and the beach --the beach provides us with all the open space we need. The city has enough open space with all the lagoons, etc. --we don't need any more parks --especially at PONTO --I am thrilled to see and drive by every day the new resort at La Costa which is in Encinitas and that is what we need here at the South end of Carlsbad --more residential --NO more open space
32. What I love about Carlsbad is that it has a small village feel but it also has the beach and some restaurants and then little town. I really would like more to walk to around the Ponto area. Specifically I think it should be more of a beat centered area with places to grab ice cream or grab some food or a coffee and walk to the beach.
33. I love that our village that is not a strip of 101. The quaint cottages helped Carlsbad have a downtown feel. It has several streets with unique interest. I love the Trees on Grand! The landscape of the trees setting the height of the town. Unfortunately the taller buildings are killing that. Vertical dwellings are taking over.. think of the reason you travel to Europe. It's not

for Developers Generica. We also want the NRG power plant space into a Park... and... I would LOVE for the city to finish the rail trail to Ponto. Imagine taking a trail to Ponto? It would be a dream!

34. Our San Pacifico Community and the surrounding neighborhoods need a local park. So far Carlsbad has no real performing arts venue of any size to meet the needs of a city of more than 100,000. This should be a serious consideration when the new civic center is being designed.
35. We need more coastal parks and open space. Especially in zone 9
36. protect more open space, including Ponto
37. We need Veterans Park completed and Ponto park developed. Everyone in Carlsbad is engaged and we have been talking about the park deficits for a while now. Veterans park is over-due!!!
38. Our libraries are the best in the region! But I have to put them 4th to our Neighborhood quality of life, which is being impacted by huge developments destroying our property values, our piece of mind and privacy. We do need to insure that our environment is cared for, since all of these housing projects are going in. I do love our parks but we need to insure that the SW quadrant has their share of parks (think-Ponto).
39. Zone 9 (in southwest Carlsbad) does not have a park within walking distance! I hope the City can remedy this.
40. Ponto needs a park not a hotel or more condos. Please stop building on every last piece of land
41. See previous comment concerning the lack of a local, beach oriented park in the South Ponto area. Ditto a performing arts venue.
42. PLS get the Ponto Proyect development going....., that area of Carlsbad needs it asap
43. I support Ponto Development. PLs get it going...
44. Ponto has 2 miles of unobstructed beach access and a lagoon that already act as a "park within walking distance". The Ponto project was approved long ago and is part of the citizen approved master plan. Please get it done.
45. Strengthen and protect the financial stability of the City. Businesses pay a significant amount of taxes, property, sales and income and those employed spend and live here. Encourage affordable housing opportunities for everyone, think outside the box and find some unique solutions. Complete build out in areas available, Ponto Beach is a great opportunity and the project is well thought out, get it built. And please don't become a 'Nanny City' and waste time to pass frivolous laws restricting straws, plastic bags, soda consumption, etc.
46. Development of open space and parking space in the Ponto region
47. Specifically, I want the city to remedy the lack of equal access to parks and trails evident in the southwest quadrant of the city. I support a park project at Ponto: in the long run, the south coastal gateway to Carlsbad needs a welcoming park with beach access and supporting facilities. Though less extensive than Village beach areas, good design would merge a Ponto park with access to beach and access to the 'memorial area on the bluff at city border with the ecology of the Batiquitos Lagoon adjacent to make a marvelous creek to beach environment accessible for all and ever.
48. There are two miles of unobstructed beach plus the lagoon within "walking distance" of the neighborhoods near Ponto. The project was approved long ago and is part of the Master Plan approved by the citizens of Carlsbad. Zoning changes and project vote downs are often just another way to steal private property.
49. Local park deficits continue to be a problem. Let's please support Ponto Park development. We as a city are losing an unobstructed landmark in our community. Please share some of that with local residents. And, did I mention parking??
50. The extreme southwestern (Ponto) area of Carlsbad does not have a park within walking distance -this is my top priority to fix.

51. We have wonderful neighborhood parks, but not in Ponto and it's on the beach; Veteran's Park is more of a hiker/nature lover's place to enjoy nature.
52. We need a park at Ponto - to serve not only residents, but visitors and tourists.
53. A park is much needed in SW Quadrant of the city
54. Ponto Park. So much has been done for businesses, tourism, etc. This is the last bit of Carlsbad coast line left. And the residents could use more park space in the south part of the City. I don't want to see this area developed. Carlsbad has become overdeveloped.
55. I want to see a park for the Ponto road area. I feel that that area should not be used for condo - residential development. It is so important to showcase that wonderful piece of property, which is so rare to find all up the coast of Calif. and would be a welcomed park for all as you drive north into Carlsbad. ALSO I am very concerned that the Palomar Airport and the larger airplanes the new plan will bring and ask that the city stay involved to support our concerns, thank you for help I appreciate all off the councils work.
56. Ponto area open space and park development
57. Take control of our coastline, bring fire rings to Ponto beach, every family should have the experience of gathering around a roaring fire on evening.
58. Cancel the Ponto development tragedy. Build a free park and keep the free beach parking there.
59. Buy the land for open space on Ponto Drive and build a park in Zone 9 that has no park even though developers paid into the park fees for 20 + years.
60. support Ponto development
61. Now that we have removed the jetty and allowed Warm Waters to wash away, and now we are planning to build on Ponto, where will locals access the beach? If 50% of responders stated the beach is the best part of Carlsbad living, why are continually squandering this gift? I know the council would live to sell Agua Hedionda to a developer too. When will there be decisions made to maintain our quality of life? Furthermore, I selected transportation because my commute time has DOUBLED in the past 5 years. The 55mph speed limit on El Camino is a joke. It takes me 2 light cycles just to cross each intersection now due to this unmitigated growth with no regard for how people will get around. I'm continually dismayed by this city.
62. Preserve the open space at Ponto. Keep traffic under control.
63. Preserve open space in zone 9
64. Money for persevering open space in zone 9 and building parks in the SW quadrant!
65. More parks and open space in Southwest Carlsbad!
66. Why another proposed hotel at Ponto? There are an abundance of hotels & stores already available ---even more than necessary. Preserving nature & some green space is more important than more concrete & businesses with "lease available" signs everywhere!
67. Prop to aid Ponto to keep it natural, as park area & natural habitat.
68. Put budget money towards Parks and Recreation, specifically Preserving Open Space in Zone 9 and Building #PontoPark in the SW Quadrant (p 84)
69. Please put budget money towards Parks and Recreation, specifically Preserving Open Space in Zone 9 and Building #PontoPark in the SW Quadrant (p 85)
70. need a park in the southwest Carlsbad post development
71. Parks in southwest Carlsbad!
72. Zone 9's lack of park and open space is sad. The SW quadrant needs more places to take kids to play, seniors to walk and get outside, and for the community to gather. A park at Ponto would be an ideal place for that and would make for a beautiful and welcoming entry into Carlsbad for locals and tourists.
73. We need a park site near Ponto Beach on the property now slated for a 5 star hotel which has not been built despite attempts by several developers over the last ten plus years.

74. Please spend more on Parks and Recreation. We need to Preserve Open Space in Zone 9 and Build Ponto Park in the SW Quadrant. We do not need more homes congesting the already packed Coast Hwy. Adding sand to Ponto Beach would be nice too -too rocky!
75. I'm asking the City to put budget money towards Parks and Recreation, specifically Preserving Open Space in Zone 9 and Building #PontoPark in the SW Quadrant -this will enhance the quality of life in Carlsbad, contribute to the highest and best use, meet the requirement to have a park in this area, and make the area so desirable that it will allow raising of local tax rates (I don't believe I'm saying this). Best Regards, David Johnson
76. Put some park and playgrounds in SW Carlsbad. There are none near Ponto, yet there are open spaces, near Avenida Encinas and 101. Nothing to walk to. Thank you
77. We could really use a park in southwest Carlsbad especially the San Pacifico area. Thank you
78. Work toward filling the deficit in parks and open space in the Southwest part of Carlsbad, especially Ponto.
79. Would truly love the Ponto Beach Park! As a resident of South Carlsbad we need this!!!
80. There are no Parks in South Carlsbad. We are neglected here yet I pay very high taxes.
81. Build a Park at Ponto! Keep the open space!
82. I would like to see the city buy the Ponto property and develop it into a park.
83. Build a park at ponto
84. Appropriate development of open space and park space in the Ponto region. We are currently at huge deficit of both of these in the Ponto region
85. We are very quickly running out of open space. This is probably one of the most beautiful areas in the country, we need to preserve that beauty and maintain some open space. The open land near South Ponto beach must be preserved. There are no parks in the area, developing that area would not only add to the pollution but it would sacrifice one of the most beautiful parts of Carlsbad. Towns and Cities across the country are prioritizing open space that is so important, it is time we did that in Carlsbad. We need open space near Ponto Beach.

A few of the many Citizens asking the City Council to budget for a much needed Ponto Coastal Park
